Auxiliary Teacher Salary Matrix

<u>First Class Pre-K Salary</u>	\$19,992.11
---------------------------------	-------------

The minimum required for all public and non-public school auxiliary teachers is a Child Development Associate (CDA) credential or the equivalent required coursework.

OSR only **requires** programs to pay the CDA salary for auxiliary teachers. If the auxiliary teacher has a higher credential, programs may *choose* to pay the recommended salary for that credential.

If the Auxiliary Teacher salary exceeds the current salary of Teacher's Aides in public school sites, it is recommended that the school develop a new classification to reflect the increased education requirement and increased work expectations of a First Class Pre-K Auxiliary Teacher.
